

Date : 8th July, 2013

To: **Aenaos Energy Systems**
Athens Greece

We **Beijing EPsolar Technology Co LTD**, who are official manufacturers of solar charge controllers having factories at Bldg#18, CO Park, No.8 Heying Road, Nanshao Town, Changping District, Beijing, China do hereby extend our full guarantee and warranty of TWO YEARS, from the date of shipment to the original end user. We will, at its option, repair or replace any such defective products, with respect to the Goods offered by the firm. **Aenaos Energy Systems** is authorized to be the strategic partner of EPsolar for its full product range from solar charge controller to solar home systems throughout Greece and its surrounding countries.

• **Claim procedure:**

Before requesting warranty service, check the Operation Manual to be certain that there is a problem with the controller. Return the defective product to us with shipping charges prepaid if problem cannot be solved. Provide proof of date and place of purchase. To obtain rapid service under this warranty, the returned products must include the model, serial number and detailed reason for the failure, the module type and size, type of batteries and system loads. This information is critical to a rapid disposition of your warranty claim.

• **This warranty does not apply under the following conditions:**

1. Damage by accident, negligence, abuse or improper use.
2. PV or load current exceeding the ratings of product.
3. Unauthorized product modification or attempted repair
4. Damaged occurring during shipment.
5. Damage results from acts of nature such as lightning, weather extremes
6. Irreclaimable mechanical damage.
