### Warranty

Welcome you to use the products (solar controller) of Yueqing Nova Electronics Co., Ltd. To confirm our service and products quality, please kindly read the following information:

The guarantee period applicable to the goods shall be 12 months from delivery. If the products can't work during the warranty, the buyer should give notice in writing to the seller for any defective goods as may have arisen during such guarantee period under proper and normal use (with evidences-test report and pictures); the seller shall (without prejudice to any other rights and remedies which the Buyer may have) remedy such defects by repair (technical assistance) or re-send new ones directly (shipping costs assumed by the buyer) within 30 days. The buyer need not return the failed solar controllers, or return them under the demands of seller (shipping costs assumed by the seller).

#### Notice:

Belonging to one of the following circumstances, the products are not free for maintenance:

1. Improper use or artificial damage (including transport caused by the transport sector compensation);
2. Natural damage (such as fires, earthquakes, floods, etc.)
3. Unauthorized demolition the machine;
4. Warranty beyond;
5. Failure to use the product manual maintenance;
